TRUSS DESIGN AND FABRICATION
NORTHEAST INDIANA

Construction Truss - Design & Fabrication

Executive Summary

The Business has an outstanding history of serving the growing construction market with truss design and fabrication projects for over 20 years. Attention to detail and efficient project management are driving forces that have made this Business a success.

A successful marketing program combined with accurate, quick-turn quotes has consistently driven sales upward. Project management keeps timeline and costs in-line without micromanaging employees. The use of quality building materials backed by years of customer satisfaction yields recurring revenues.

While the owner is interested in selling the Business, he is willing to continue on a contract basis for a period of time to ensure a smooth transition.
